WEEKLY NEWSLETTER

WHAT'S UP FOR MIDDLES THIS WEEK?

WHOLE BODY LISTENING

This week we will be doing an activity that will focus on whole body listening. To do this we will create a directed drawing, where a leader will give kids a fun combination of shapes, lines, etc. to draw, creating an interesting picture.

BIG DEAL OR LITTLE DEAL?

We'll also look and discuss a variety of scenarios to determine whether a something is a big deal or a little deal. Together we'll explore what we can do in those kinds of situations. Some examples could be telling an adult, taking a break, or using a calming tool.

SCRIBBL.IO

We'll spend a little time playing on online game of scribbl.io, where the kids will all draw something and the others will have to guess what it is.

It's going to be another great week!
