MIDDLES

MAY 3 - 7, 2021

WEEKLY NEWSLETTER

WHAT'S UP FOR MIDDLES THIS WEEK?

FRIEND FILEs

This week we'll spend time getting to know each other better. We'll do this by playing a game where everyone writes down something they like or an interest and something they dislike. Then we'll all guess who wrote what. This will give us a chance to learn more about each other and add important info into our Friend FILEs.

FLEXIBILITY

We'll also be practicing flexibility and expected ways to respond when we are told "no". To do this, we will play "Mother/Father May I" virtually. The kids will ask a leader if they can move forward, and the leader will decide if they can or cannot.

CONVERSATION SKILLS

The skill of taking turns while having a conversation will be strengthened by working in teams to keep on-topic without interrupting or blurting in order to be successful and "win". It's going to be another great week!

If you have any questions or concerns about the week ahead, please contact us!
